2.02 Delegation of Use. Any Owner may delegate, in accordance with the By-Laws, his right of enjoyment to the Common Area and facilities to the members of his family, his tenants, or contract purchasers who reside on the property.

3.01 Every Owner of a Lot shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot.

3.02 The Association shall have two (2) classes of voting memberships:

Class A. Class A members shall be all Owners with the exception of the Declarant and shall be entitled to one (1) vote for each Lot owned. When more than one (1) person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Class B. The Class B member(s) shall be the Declarant and shall be entitled to five (5) votes for each Lot owned. The Class B membership shall cease and become converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(i) when the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership, or

PROVIDED, however, that in the event additional properties are annexed pursuant to the terms hereof, the time for the conversion of the Class B membership to a Class A membership may be extended by Declarant by the recordation of a Notice of Extension of such conversion in the Register's Office of Shelby County, Tennessee.

Article 4. Annexation of Additional Properties.

4.01 Declarant also owns or may acquire certain tracts of land "additional Tracts" located in the County of Shelby, State of Tennessee, adjacent to the Properties subject to this Declaration. The Additional Tracts are described in Exhibit "B" attached hereto and incorporated herein by reference. Declarant may, but is not obligated to, subject all or part of the Additional Tracts, and the improvements thereon, to this Declaration. However, nothing herein contained shall be construed to require the Declarant to submit any part of the Additional Tracts to this Declaration or to limit the use of the Additional Tracts in any way, the Declarant reserving unto itself, its heirs or assigns, all rights and privileges with respect to such Additional Tracts, including, without limitation, the use thereof in accordance with any present or future zoning regulations, or variations therefrom, which may be applicable to such Additional Tracts, in whole or in part.

4.02 Except as provided in Section 4.01, annexation of Additional Tracts shall require the assent of two-thirds (2/3) of the Class A members and the Class B members called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The presence of members or of proxies entitled to cast sixty percent (60%) of the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth above, and

the required quorum at such subsequent meeting shall be one-half (1/2) of that for the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting. In the event that two-thirds (2/3) of the Class A membership or two-thirds (2/3) of the Class B membership are not present in person or by proxy, members not present may give their written assent to the action taken thereat. Annexation under this Section requires the consent of two-thirds (2/3) of each class of members, and shall be evidenced by recording in the Register's Office of Shelby County, Tennessee, an amendment to this Declaration showing the property to be added, any resulting changes to this Declaration, or any exhibits thereto, and any other information deemed necessary or proper.

4.03 Notwithstanding the foregoing, if within twenty-five (25) years of the date of the incorporation of the Association, the Declarant should develop Additional Tracts within the areas described in Exhibit "B", any portion of such Additional Tracts may be annexed to the Properties without the necessity of obtaining the approval or assent of the Class A members, or any other person or entity, any other provision of this Declaration to the contrary notwithstanding, and said lands on the date of annexation shall be deemed a part of the Properties and be subject to this Declaration. The annexations shall be made by recording in the Register's Office of Shelby County, Tennessee, a statement of Declarant showing the property to be added, any resulting changes to this Declaration, or any exhibits thereto, and any other information which Declarant may deem necessary or proper. Additional Tracts or portions thereof may be added at one time or at separate times so long as the resulting total property is contiguous. Copies of such recorded statements shall be mailed or delivered to all owners of record of Lots affected and the Board of Directors.

Article 5. Covenant for Maintenance Assessments.

5.01 Creation of the Lien and Personal Obligation of Assessments. Each Owner for each Lot owned within the Properties, hereby covenants, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: 1) annual assessments or charges, and 2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. Lots owned by the Declarant, it's assigns, or Lots owned by any builder solely for the purpose of constructing a single-family residence thereon for sale and for so long as said property remains unoccupied, are excluded from the payment of assessments; provided, however, that the exclusion of builders shall not exceed nine (9) months from the date any builder accepts a deed for any lot (s).

5.02 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the Properties, and for the improvement, periodic maintenance, repair, and replacement of improvements to the Common Areas, and any reserves necessary and proper for such purposes.

5.03 Maximum Annual Assessment. Until January 1st of the year immediately following the recording of this Declaration in the Shelby County Register's Office, the maximum annual assessment shall be One Hundred Fifty and No/100 Dollars (\$150.00) per Lot.

(a) From and after January 1st of the year immediately following said recording, the maximum annual assessment may be increased each year by not more than ten percent (10%) above the maximum assessment for the previous year without a vote of each class of the membership.

(b) From and after January 1st of the year immediately following the said recordation, the maximum annual assessment may be increased above ten percent (10%) by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

5.04 Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

5.05 Notice and Quorum for Any Action Authorized Under Sections 5.03 and 5.04. Written notice of any meeting called for the purpose of taking any action authorized under Sections 5.03 or 5.04 shall be sent to all members not less than ten (10) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

5.06 Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

5.07 Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the initial conveyance of any Common Areas to the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

5.08 Effect of Nonpayment of Assessments: Remedies of the Association. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the due date at the rate set by the Association, not to exceed the maximum interest permitted under Tennessee law. The Association may bring an action at law against the Owner to collect the assessment or foreclose the lien against the property and the interest, costs and reasonable attorney's fees of any such action shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot. The Owner of a Lot on which there are delinquent assessments shall not be permitted to participate or vote in any meeting of the Association, and may, along with his guests and the occupants of his lot, be prohibited, by properly adopted resolution of the Board of Directors of the Association, from using specified Common Areas or other privileges of membership in the Association.

5.09 Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof.

Article 6. Architectural Control. No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within forty-five (45) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

Article 7. Restrictive Covenants; Prohibited Uses and Nuisances.

7.01 Residential Purposes Only; Construction Requirements. No Lot shall be used except for residential purposes only. The minimum heated area of each dwelling shall be 1400 square feet. All houses are to have a two (2) car garage with finished interior, and the garage floor may not be calculated as heated area. The exterior material for the front of each house must be brick or stucco.

7.02 Prohibited Uses and Nuisances. In order to provide for a congenial occupation of the homes within the Property, and to provide for the protection of the values of the entire Property, the use of the residences shall be in accordance with the following provisions:

- (a) Said property is hereby restricted to residential dwellings for residential use. All buildings or structures erected upon said Property shall be of new construction, and no buildings or structures

No structures of a temporary character, trailer, tent, shack, garage, barn or other outbuilding shall be used on any portion of said Property at any time as a residence neither temporarily nor permanently.

(b) No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any of said Lots, except that dogs, cats or other household pets may be kept, provided that they are not kept, bred, or maintained for any commercial purposes.

(c) No advertising signs (except one of not more than five (5) square feet "For Rent" or "For Sale" sign per Lot, billboards, unsightly objects, or nuisances shall be erected placed or permitted to remain on said Property. No business activity of any kind whatsoever shall be conducted in any building or in any portion of said Property; provided, however, the foregoing covenants shall not apply to the business activities, signs, and billboards or the construction and maintenance of buildings, if any, of Declarant, its agents and assigns during the development and sales period of Lots in the Development.

(d) All equipment, garbage cans, service yards, woodpiles, storage piles and electric utility boxes shall be kept screened by adequate planting or fencing so as to conceal them from view of neighboring streets. All rubbish, trash, or garbage shall be regularly removed from the premises and not be allowed to accumulate thereon.

(e) Without prior written approval and the authorization of the Architectural Committee, no exterior television or satellite dishes or radio antennas of any sort shall be placed, allowed, or maintained upon any portion of the improvements to be located upon the Property nor upon any structure situated upon the Property other than an aerial for a master antenna system, should any such master system or systems be utilized and require such exterior antenna.

(f) No recreation vehicles or commercial vehicles, including but not limited to boats, boat trailers, house trailers, camping trailers, motorcycles, pick-up trucks, or similar type items shall be kept other than in the garage or otherwise screened from the view of neighbors or the street. Motorcycles, motor bikes, go-carts, and similar motorized vehicles shall not be allowed to operate within the Properties.

(g) Grass, weeds, vegetation and debris on each Lot (whether improved or unimproved) shall be kept mowed and cleared at regular intervals by the Owner thereof so as to maintain the same in a neat and attractive manner, all in keeping with the general appearance of the entire Development. Trees, shrubs, vines, debris, and plants which die shall be promptly removed from such Lots; otherwise no trees larger than 12 " in diameter shall be removed from the Lots without prior written approval of the Architectural Control Committee in each instance. Until a residence is constructed on a Lot, Declarant, at its option and its discretion, may mow and have dead trees and debris removed from such Lots and the owner of such Lot shall be obligated to reimburse Declarant for the cost of such work should he refuse or neglect to comply with the terms of this paragraph.

(h) No obnoxious or offensive trade or activity shall be carried on upon any Lot nor shall anything be done thereon which may be or become an annoyance or nuisance to other Owners within the Property.

(i) No building material of any kind or character shall be placed or stored upon any of said Lots until the owner is ready to commence improvements. Building materials shall not be placed or stored in the street or between the curb and property lines.

(j) No outside clotheslines or other apparatus for the drying of clothes shall be permitted in the Development, unless obscured from view by mass planting or shrubbery in a manner approved by the Architectural Control Committee.

(k) No Lot owner shall annoy another Lot Owner by unreasonable noise, nor permit any nuisance to exist, whether the same may be common law, public, equitable or statutory.

(l) No mechanical work shall be done on automobiles, boats, motors, etc. on the Lots except for emergency purposes.

(m) All garages must be enclosed.

(n) There shall not be any statues of any nature upon the front of any Lot unless approved by the Architectural Control Committee. Stone yards are strictly prohibited.

HX 6236

(o) Notwithstanding any provisions herein contained to the contrary, it shall be expressly permissible for Declarant to maintain, during the period of the sale of said Lots, upon such portion of the premises as Declarant deems necessary, such facilities, as in the sole opinion of Declarant, may be reasonably required convenient or incidental to the sale of Lots, including, but without limitation, a business office, storage area, construction yard, signs, model units, and sale office.

(p) There shall be no violation of any rules which may from time to time be adopted by the Board of Directors and promulgated among the membership by them in writing, and the Board of Directors is hereby elsewhere in the Bylaws authorized to adopt such rules.

Failure to comply with these restrictive covenants after fifteen (15) days written notice shall entitle the Board of Directors or any Lot Owner to pursue its or their rights or remedies at law or in equity, and, in addition, if funds are expended to correct any violation by the Board of Directors or any Lot owner such funds shall be treated as special assessments levied pursuant to this Declaration against only defaulting or breaching Lot Owner without a two-thirds (2/3) approving vote of the Lot Owners (exclusive of the vote of the defaulting or breaching Lot Owner). Such breaching Lot Owner shall be responsible for the costs of enforcing such covenants including, but not limited to, court costs and reasonable attorneys fees.

Article 8. General Provisions.

8.01 Enforcement. The Declarant, the Association or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Declarant or the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

8.02 Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

8.03 Amendment. The covenants and restrictions of the Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners. Any amendment must be recorded.

8.04 Easements. The Declarant reserves and the Association shall be bound to convey to Declarant, or its designees, any easement requested by the Declarant for the development and maintenance of any portion of the Properties, Common Areas, or proposed Common Areas. Furthermore, if ingress or egress to any residence is through the Common Area, any conveyance or encumbrance of such area is subject to that Lot Owners easement or rights of ingress and egress.

8.05 Declarant's Reservation of Rights Respecting Use of the Properties. The Declarant shall not be obligated to improve, develop or subdivide any part of the Properties in any specific manner or time, or for any specific use, the Declarant reserving unto itself, its heirs or assigns, all rights and privileges with respect to any portion of the Properties which it owns.

Declarant may delete from the operation of this Declaration any portion of the Properties owned by Declarant and not subdivided, or any portion of the Properties owned by Declarant and within the boundaries of a recorded subdivision plat, provided that no Lots within such recorded subdivision plat have been conveyed by Declarant by warranty deed.

8.06 FHA/VA Approval. As long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration: Annexation of additional properties, dedication of Common Area, and amendment of this Declaration of Covenants, Conditions and Restrictions.
